

It's time to look after yourself

**You've looked after everyone else
NOW HOW ABOUT YOU?**

The Breast Screening Programme saves lives.

**All women aged 50 and over are entitled to
free regular breast screening.**

So when you receive your invitation letter all you have to do is attend.

If the date, time or location doesn't suit you - give us a call and we will look for the best option for you.

Over 71? You won't receive an invitation
BUT YOU CAN STILL COME!

Some things are worth making time for.

If you have any symptoms of breast cancer, don't wait for a screening invitation - contact your GP.
